WHAT TO WEAR:

Please avoid clothing with finely detailed patterns such as small polka dots, thin stripes, checkers, and fine cross-hatch patterns. Solid colors or broad patterns are OK. Avoid low-cut tops, large necklaces, and wearing multiple scarves as they make it difficult to attach a microphone. Avoid pants that ride up on the calf when seated. Avoid bright white clothing.

WHEN YOU ARRIVE

- Please use the restroom before you sit down for the interview.
- Prior to the taping, the audio engineer will ask you to do a "sound check"; all you have to do is talk with your normal voice, and continue talking until given the signal to stop. You can recite a favorite poem or practice what you plan to say during the actual taping.
- At the beginning of the program, remain quiet until the host introduces the show. Keep your eyes focused on the host and remain attentive.
- Don't take your attention away from the interview. When talking to the host or other guests, look at them. You may be on screen while they are speaking. When you want to make a point to the viewing audience, look into the camera lens with the red light above it.
- At the end of the program, remain seated until the audio engineer comes to retrieve your mic. Don't walk away with the mic still attached!

PARKING

We recommend using one of the 'G' or 'L' parking structures off of 3rd Street shown below.
