

Dear CMCM Members,

Sept 29, 2009

As you know, you will be electing two members of the CMCM Board of Directors in October. The election will be by written ballots submitted shortly before our annual Membership Meeting on October 31st.

CMCM's Bylaws (section 8.02) provide that our Board Development Committee shall nominate a candidate for each of these board positions and communicate this proposed slate to our Members.

The Board Development Committee has met and unanimously nominated Bruce Bagnoli and Jim Geraghty for reelection to a full term on the CMCM Board of Directors.

Both Bruce and Jim have a long history of supporting the efforts to bring community media to Marin. Both Bruce and Jim have been with CMCM since its formation, and both have played vital roles in the successes we have enjoyed to date. For the last two years, Bruce has served as the Chair of our Board, and Jim has served as our Secretary, and both have done yeoman's work and put in many hours on several Board Committees and special assignments.

But the job is not done – we have a long way to go. The CMCM Board strongly recommends that you reelect Bruce Bagnoli and Jim Geraghty. We believe that their vision and continued leadership and service on our Board is essential for us to realize the full potential and promise of Community Media in Marin.

Sincerely,

CMCM Board of Directors
